

ROBOT QUANT'S PRIVACY POLICY

Robot Quant is owned and operated by LogeekSoft LLC.

This Privacy Notice describes our collection, use, disclosure, retention, and protection of your personal information. It applies to any LogeekSoft site where this Privacy Notice appears in the footer, and to any LogeekSoft application, service, or tool (collectively "Services") where this Privacy Notice is referenced, regardless of how you access or use them, including through mobile devices.

By using our Services and/or registering for an account with us, you are accepting the terms of this Privacy Notice and our User Agreement , and you are consenting to our collection, use, disclosure, retention, and protection of your personal information as described in this Privacy Notice. If you do not provide the information we require, we may not be able to provide all of our Services to you.

You are contracting with LogeekSoft LLC, 71 Commercial St, #173, Boston, MA 02109, USA.

The company you are contracting with is your data controller, and is responsible for the collection, use, disclosure, retention and protection of your personal information in accordance with our privacy standards as well as any applicable national laws. Your data controller may transfer data to other members of the LogeekSoft family as described in this Privacy Notice. We may process and retain your personal information on our servers in the U.S. and elsewhere in the world where our data centers are located.

Personal Information

"Personal information" is information that can be associated with a specific person and could be used to identify that specific person whether from that data or from that data and other information that LogeekSoft has or is likely to have access to. We do not consider personal information to include information that has been made anonymous or aggregated so that it can no longer be used to identify a specific person, whether in combination with other information or otherwise.

To log in to Robot Quant, you use your email address. This information is saved in our database along with your Robot Quant account info hence making it possible for us to identify and retrieve your info whenever you load the Robot Quant app. You can delete all your info any time by tapping the "Delete Account" button located in the "Account" section of the app.
